

## 2020 2<sup>nd</sup> International Conference on Smart Power & Internet Energy Systems

Dear all,

I trust you are keeping well. I am very impressed to see the interest of researchers, students, academics, exhibitors, sponsors for the 2020 2nd International Conference on Smart Power & Internet Energy Systems that is supposed to held in Bangkok on June 2-5, 2020. As you know, we all are fighting against COVID-19 pandemic, and the Governments of different countries imposed a lot of travel restrictions. Moreover, it is time for us to take care of and protect our family.

Having spent about a year preparing for the show with our advisory boards, organizing committee, speakers, exhibitors, and event partners, we're genuinely upset and disappointed not to be able to host you at the scheduled date in June 2020. While this decision comes at a time of universal uncertainty, we take the safety and health of our guests, staff, and community very seriously. We urge everyone to follow the guidelines and protocols put forth by public health officials. The new date announcement and few other important information are as follows:

Original Event Date: June 02 – June 05, 2020

Postponement Announcement Date: March 26, 2020

**New Event Date: September 15 – September 18, 2020**

New Paper Submission Deadline: [May 31, 2020](#)

Early Bird Registration Deadline: [April 20, 2020](#)

**Special Issues: 4 Special Issues will be continued as planned earlier**

Moving forward, we'll focus all of our efforts on making our event in September even better.

We expect your usual supports and cooperation and look forward to seeing you in September.

Sincerely,

On behalf of the Conference General Chair,

Cheney Zhu

Conference Secretary
